

AgriFood Charities Partnership

*Maximising charitable support for science & education in UK farming and food*

## **AFCP Workshop**

# **“Energising successful**

Are you

# **Studentship schemes”**

## **30 March 2011**

- A student, researcher or institution seeking funding?

• A student or research charity seeking other charities with which to co-fund projects?

• An agri-food charity interested in best practice and industry networking?

Find out more at:  
[www.afcp.co.uk](http://www.afcp.co.uk)

*AFCP is a partnership of agrifood charities working to maximise support for education and research.*

# Why this workshop?

---

Funding constraints on most organisations

Range of organisations support studentships

Studentships are an important approach to  
address skill shortages & research priorities

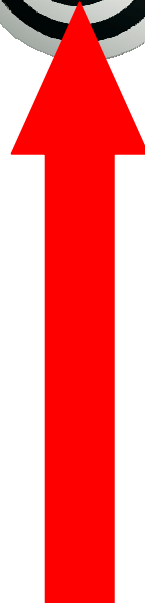

What is needed to make a studentship scheme work?

# Studentships: priorities

---

**Industry priorities**

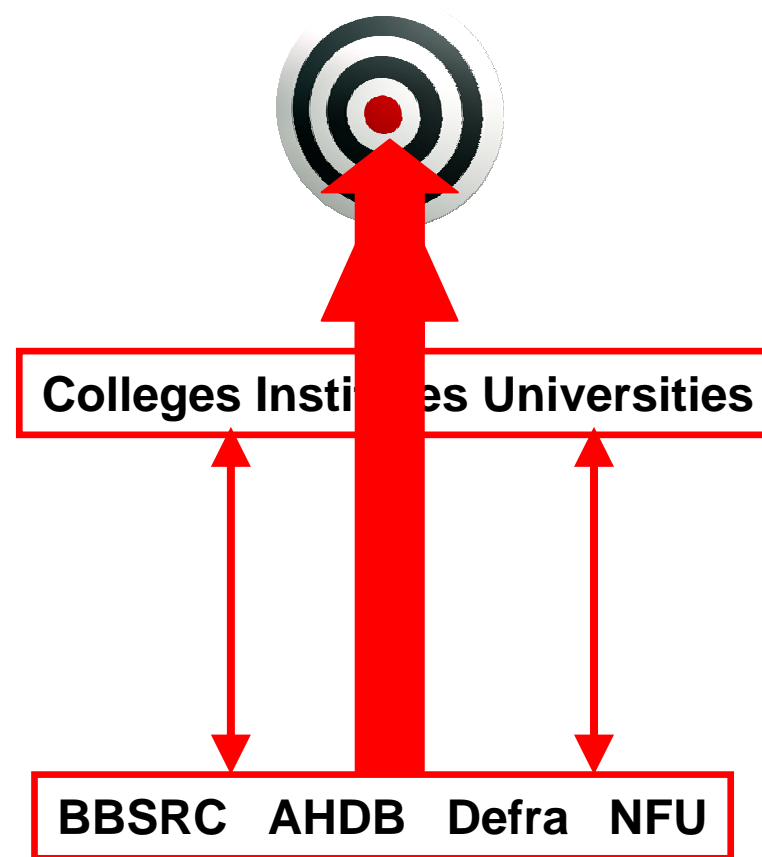

**BBSRC AHDB Defra NFU**

*Making the most of charitable support for science & education in UK food & farming*

# Studentships: addressing priorities

Industry priorities
