

COMMENTS FROM PAST RECIPIENTS

“ Thank you so much for the cheque towards my studies at Harper Adams University, it will be very helpful towards my final year. Thank you also for the interview; it is a good experience for the future.

“ I am just writing to say that I have received the cheque from the West Country Dairy Awards. Thank you very much and I am sure the AI fertility course it is funding will be of great benefit to my knowledge base and my long term goal of becoming a large animal vet.

“ Thank you very much for the cheque. It is greatly appreciated and it has gone directly into a savings account dedicated to my dissertation travel – for data collection. I am looking forward to the next nine months and the difference I can hopefully make to farmers' lives!

“ Thank you for awarding me funding, I am very grateful for having this opportunity and being invited for an interview. I would be more than happy to write a progress report for the committee.

“ The scholarship money has been very much appreciated, it has allowed me to carry out my final year studies with less financial pressure. The money has assisted with resources for tests, allowing me to validate my dissertation data”.

“ I would like to thank the committee for such a generous grant and for giving their time as part of the interview/ selection process”.

“ Thank you for the financial support enabling me to attend a fertility course. It has given me a theoretical and practical insight into challenges faced on modern dairy farms and I think will prove invaluable in my career”.

“ I am very grateful for the grant and I will put the money towards educational activities to enhance and support my undergraduate studies at Harper Adams University. I have put some of the money towards a talk I attended, 'The Resilient Farmer' by Doug Avery. I took away from the talk the feeling of being inspired, having a positive mind set and being motivated.”

“ Thank you for the money given to me to help fund my agricultural studies this academic year. It has been very helpful as I was able to undergo my AI training and complete the course. I was also then able to help fund a new laptop when mine broke so I could keep up with academic studies. Please pass my thanks onto your sponsors as it was a great help for me this year.

WITH MANY THANKS TO OUR GENEROUS SPONSORS

THE SUPPORT FROM A NUMBER OF ADDITIONAL BENEFACTORS IS GREATLY APPRECIATED

WEST COUNTRY DAIRY AWARDS

FINANCIAL SUPPORT FOR STUDENTS WANTING TO ENTER THE DAIRY INDUSTRY

WEST COUNTRY DAIRY AWARDS

Established in the 1920s the awards provide grants to people studying courses related to the dairy industry.

Funds are available to students of all ages who are undertaking further education courses related to the dairy industry.

Sons and daughters of farmers or farm employees, or students who can demonstrate commitment to the dairy industry and show aptitude to 'add value' to the industry, shall be considered.

Applicants must live in one of the following four counties:- Cornwall, Devon, Dorset or Somerset.

THE AWARDS

The awards distribute over £15,000 every year. All qualifying applicants receive some funding and the best four receive between £1,000 and £2,000 each.

All applicants are interviewed within their county and the best are invited to a Final Interview Day, usually held in September.

Applications close on 31st July each year.

Please note we are unable to fund students whilst on work placement/experience.

APPLICATION FORM
